CLASS HISTORY

We, the Dudes of 1952, began our "breaking in" in 1940. For three years we were grouped in two corrals. Some walked the tracks to the little red school house better known as the Lincoln, while others waded the rivers to the Washington. There were sixty - five of us cowpokes, who began our first grade **with a bang, by putting snakes in the teacher's desk.**

In the second and third grades we round up four more for the herd, and used toads instead of snakes.

By the time we had advanced to our fourth year we were broken in a bit more and organized exchange programs with the other class. At this time we staged a puppet show and play.

Our fifth herd organized a trio and the sixth was the first to begin Y.C.L. and the annual amature shows to earn money. We sent Rose Mary and Larry to the state Y.C.L. convention in Pierre.

Finally came the time we were taken to greener pastures- -seventh grade. Now we could attend the local Shindigs. The first few weeks saw some mighty confused cowpokes wanderrin' around the new corral. They weren't used to all these different stalls. After the roundup it was learned we had seventy - **one in the herd.**

Our eighth year found us yodeling with the older dudes during the Yuletide season. Our herd diminished to **sixty - one this year.**

When we were freshmen, we elected Jim Bondurant as the "head - cowpoke" of the herd. Garnet Aho was vice president and Janet Aho, secretary - treasurer. We gained several more head including two from the "metropolis of Arpan" and several from the "Fruitdale University." The count this year was **seventy - two.**

During our sophomore year we had a girl as "head - wrangler" - Jeanne Wyman. Rodney Henderson was vice-president, Donna Jones, secretary - treasurer, Pete Pridgeon, Red Cross Representative, and Fritz Kling and Phyllis Brown, Student Council representative. The boys made the 'B' for Homecoming, **which was one of the best.**

Our Junior year found us very busy. The leader of the herd this year was Kenneth Clary. He was assisted by Donna Jones as vice-president, Donna Ericsson as secretary, Janet Aho as treasurer, Rose Mary Hanify and Adolph Tessness as Red Cross representatives and Janet Karinen and Jim Bondurant as Student Council representatives. Our first duty was selling at the football games. Then came Homecoming and our herd was very proud when it was announced we had won first prize on our float. Close to the beginning of the year we lost one of our "strongest cowpokes" - -Brutch Amen to the Marines. Several other members of the herd joined the National Guard. Our count this year was only sixty. We were very successful with our magazine drive. We made \$2410.90, beating the previous classes' record of \$2111.05. Then it was time for our play. We selected "A Date With Judy." Finally came the big hoedown of the year - the Prom and Banquet. We brought "Broadway" to the "old west", after many difficulties.

As last we came to the last rung on the ladder. We were Seniors!! Our foreman this year was Lee Wasilik. Fritz Kling was vice-president, Joan Newell, secretary - treasurer, Jerry Brammer and Jeanne Wyman, Student Council representatives, and Susan Ellerman, Red Cross representatives. Several members of our class chartered a bus to attend the Pierre football game. After a wild and wooly trip we arrived to cheer our team on to victory. Then it was our last Homecoming. Rose Mary Hanify was elected Bronc Day Queen and Fritz Kling, Marshall. They were crowned in an impressive ceremony in the gym. Next the girls in Homemaking III staged a mock wedding to show us how it's done in the East. The Juniors entertained us at a lovely Prom and Banquet. Then, on Sunday evening, May 18, bacca-laureate was held in our honor. We received our "sheepskins" (sixty - two of them) and were released **from the corral on May 23, 1952.**

CHORUS

In 1948 - 49, when the present seniors were but freshmen and new members of the Belle Fourche Chorus, the Chorus sang its first concert on Armistice Day of the year. This was followed by an invitational appearance to the Governor's Christmas Ball in Pierre. After the ball, the group was honored at a banquet held in the St. Charles Hotel. Their annual Christmas concert for that year was sponsored by the P. T. A. **to make money for new jackets.**

The following year at Christmas the Chorus in cooperation with the Art Department presented the Living Pictures - a re-creation of famous religious paintings. During the Lenten Season of that year the Chorus sang at a program given by the Episcopal Guild. At the music festival the choral groups received **a much deserved superior rating.**

During the 1950 - 51 school year, for the first time, there was organized a music clinic, held at Spearfish. A selected group went for the purpose of reading and singing new music. The Chorus was invited that fall to sing a short concert for S. D. E. A. which was held in Rapid City. This chorus was the first to try the new exchange concert with Rapid City High School. A chartered bus took them to Rapid City where they gave **a very successful performance.**

This past year the Chorus was again asked to present a concert for S. D. E. A. which was held at Sturgis. The Yuletide season saw an extra busy group preparing for the community Chorus Christmas program, a new plan for promoting the true spirit of Christmas. In this program they were joined by various Church Choirs of the community. Once again Living Pictures was presented by the Chorus and the Art Department.

Each year the Chorus is busy rehearsing for various and numerous appearances. In addition to the special performances, they sing many concerts for the students and for the public, take part in music festivals, from which they return with excellent ratings and praise. They sing each year at baccalaureate and **graduating exercises as a grand climax to their year's activities.**

BAND ON PARADE

This year's seniors played their first concert with the Belle Fourche Band as freshmen, the year 1948 - 49, On Armistice Day program which took place in the local theatre. The band was then invited to participate in the Swamp Day Parade held in Spearfish. The Brong Day royalty followed the Band in a convertible. As the band was sorely in need of new shirts that year, a dance was given to raise money for this. High fevers and excitement led up to the annual festival taking place at Rapid City in which **the band played two selections and marched in the parade.**

The following year the band began their season with the Christmas song fest followed by a concert that featured various soloists. This concert was given to raise money for extra shirts. For Student Government Day, chosen members of the band took part in the rally and parade, sponsored by the seniors. Having been invited to Rapid City for the Army Day parade, the band loaded up their instruments and marched down Rapid City main. Festival time rolled around and once again the band played and stritted **their best.**

The year '50 - 51 found a new experiment in process. A selected group made the trip to the first band clinic held in Spearfish College. For Christmas, special music was played on the streets of Belle. Many frozen fingers resulted from this concert. Once again the band marched in the music festival parade and played their individual numbers. The calendar being so full the band played its annual concert **at the School Exhibit.**

Each year you can be sure of seeing the purples and whites marching in the homecoming parade, playing at the football games, or sitting in the balcony at the pep rallies and ball games. In May, the band was busy rehearsing for the music festival, baccalaureate, and graduation procession for this year's seniors.

Many are the happy hours spent by the band students.
